

## Don't Be Half Sure About GI Insurance Plan

A veteran who recently died following an accident would have been dismayed to know that his \$10,000 National Service Life Insurance didn't go to his wife and children at all. He thought his beneficiary designation was up to date but it wasn't.

"He showed us as beneficiaries in his will," said his widow. "Now they tell me he should have notified the Veterans Administration—the will can't change a beneficiary designation on file with the VA."

Mrs. Sara Evans, Director, Torrance Area Veterans Service Center, cites this as a typical example of what can go wrong with GI insurance policies. Here's another case:

A veteran, protected by "free indemnity" during his Korean service, changed his indemnity beneficiary by filling out a form his commanding officer gave him. He failed to consider that the indemnity was entirely different from his insurance policy, which he had placed on waiver for the duration of his enlistment. The insurance beneficiary never was changed, as far as the VA was concerned.

Complications also arise when a veteran has more than one insurance policy. The VA may receive a change of beneficiary listing only one policy number. Since the VA must assume that the veteran knows what he wants, the beneficiary change is recorded for the one policy only.

"The moral is simple," concludes Mrs. Evans. "Don't be half sure about the status of your GI insurance. Check on it now. We will help you if you drop in at our office at 1622 Gramercy Ave., Torrance.

## Two Library Branches to Extend Hours

A change in schedules, giving increased hours to two branches of the Los Angeles County Public Library in Torrance, was announced yesterday by Mrs. Dorothy Jamieson, regional librarian.

### Customer Keeps Car

A prospective customer liked a car so well he kept it without paying for it, Wando Keel Stanford, of Paul's Chevrolet, 25616 Pennsylvania Ave., told sheriff's deputies Sunday. He said a man about 30 took a 1947 car out to test it. Apparently he liked the car, Stanford told deputies.

The North Torrance branch, at 3614 W. 174th St., is now open Thursdays as well as Mondays, Wednesdays and Fridays. Thursday hours are from 12:30 to 6 p.m. On the other three days the branch is open those same hours and in addition from 7 to 8:30 in the evenings.

Increased patronage at the branch made the extra five and one-half service hours mandatory, Mrs. Jamieson said.

Four hours have been added to the Wednesday schedule at the WALTERIA branch, 3815 W. 242nd St. It is now open from 12:30 to 6 p.m. and in the evenings from 7 to 9, Mondays, Wednesdays, Thursdays and Fridays.

Both branches are closed Tuesdays, Saturdays and Sundays.

### Silverware Stolen

Burglars took her set of silverware, valued at \$12, Carrie Hogate, 25845 Oak St., Lomita, told sheriff's deputies Monday. She theorized that the intruders had come in through an unlocked door while she was visiting a neighbor.

### HONEY VARIETIES

The U.S. produces 169 kinds of honey from 18 states.

## Expansion of Court Slated

Plans and specifications for additions and alterations to the South Bay Cities Court Building at Redondo Beach were approved Tuesday by County Supervisor Burton W. Chace.

### Sing Program Set

A community sing program, featuring a program by the Gledora Dance Revue, will be held at Pt. Fermin Park, San Pedro, from 2 to 4 p.m. Sunday. The sing will be led by Sam Carlisle. The program is free.

Improvements estimated to cost approximately \$135,000 will consist of a building addition at the ground floor level with a District Attorney's branch office and an attorney's conference room.

Also included will be a second floor addition with space for an employees' luncheon room and an equipment room.

### RISING SHORES

The shorelines of Norway and its islands are rising at the rate about one foot in each 10 year period.
